

### ACTIVITY 7.3

#### Geoboard Copy

Copy shapes, designs, and patterns from prepared cards as in Figure 7.8. Begin with designs shown with dots as on a geoboard and later have students copy designs drawn without dots.

Have children copy shapes from pattern cards onto a geoboard.

Besides pattern cards with and without dots, have children copy real shapes—tables, houses, letters of the alphabet, etc.

**FIGURE 7.8**

Shapes on geoboards.
