

PR6.1

- Provide the following table of values. Ask students to use the green triangles from the set of pattern blocks to represent what the worm would look like on day 3, 4 and 5.

Age/Days	Number of Triangles
1	4
2	6
3	8
4	10
5	12

E.g., This is a one-day-old worm:

This is a two-day old worm:
