

# Decimal Cards for Place Value Spinner Games

Math games are a great way to review and reinforce basic skills, and the spinner games below make review sessions more fun! In this packet you'll find Decimal Problem cards and answers to be used with the Place Value Spinner Game Mini Pack available from Teaching Resources. Full directions are included with each game. Please note that the problem and answer cards are designed to be duplicated front to back. You can't modify the cards included in this free packet, but if you purchase the games below, you'll receive a Word Document of the blank problem and answer cards to customize yourself. You can find full preview versions of each game on the page below.

## Place Value Spinner Games

### Spin 2 Win and Spin 4 Cash
