

Fishing For Products

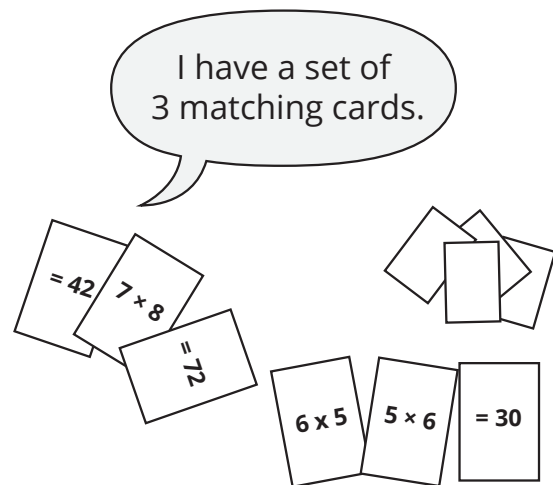

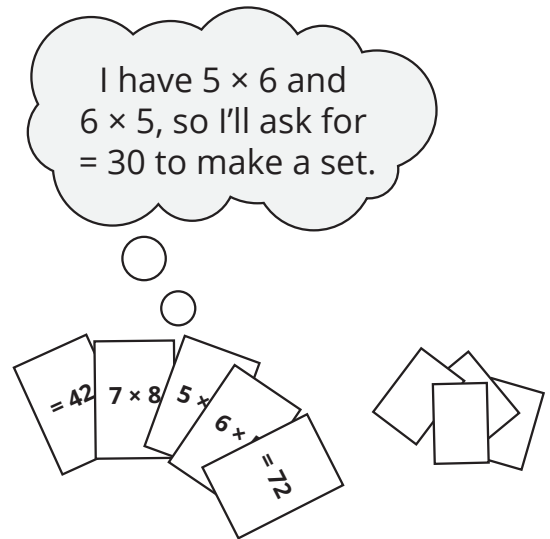

What You Need

- Fishing for Products Cards (1–4)

How to Play

- Play in groups of three or four.
- Shuffle the cards and deal 5 cards to each player.
- Spread out the rest of the cards face down in a pile. This will be the fishpond.
- Take turns asking another player for a card:
 - If he or she has the card, you get the card.
 - If not, take a card from the fishpond.
- Put down matching sets of 3 cards as you collect them.
- If you run out of cards, take 2 cards from the fishpond.
- Play until there are no cards left in the fishpond.
- The player with the most sets wins.
